Ms Florence Lasbennes  
Director  
Scaling Up Nutrition (SUN) Movement  
Secretariat

08 December 2016

Dear Ms Lasbennes,

I refer to Dr Francesco Branca's membership of the Executive Committee for the Scaling Up Nutrition (SUN) Movement. Dr Branca being a member in his official capacity, representing the World Health Organization (WHO), it would not be appropriate, or correct, for him to sign Code of Conduct terms or a declaration of personal interest.

With this letter I attest that Dr Branca is bound by the WHO Code of Conduct and relevant staff rules, which correspond to the first four statements of your Code of Conduct terms. His personal declaration of interest has been filed with WHO and I certify that he has no conflict of interest either for his official functions with WHO or his membership in the SUN Executive Committee on behalf of WHO.

I hope that you will be able to accept this letter in lieu of the SUN code of conduct terms and declaration of interest.

Yours sincerely,

Dr Oleg Chestnov  
Assistant Director-General  
Noncommunicable Diseases  
and Mental Health
