## Scaling Up Nutrition Champion Awards Nominees!

The SUN Movement Global Gathering represents an ideal moment to recognise nutrition champions' efforts and support them to keep banging the nutrition drum. That is why in 2017, Nutrition champion awards are being issued to women and men who have made an outstanding contribution towards scaling up nutrition.

**49 nominations were received spanning 24 countries!**

The following individuals have been nominated by SUN Government Focal Points, civil society alliances, UN networks, donor networks, business networks and other associations/networks representing academia, the media, and parliamentarians for their outstanding contribution to scaling up nutrition:
